Join us on a walking tour of Old Haddonfield as author William Meehan, Jr. regales us with ghost stories and legends from his popular paperback, *Haunted Haddonfield*. The tour begins at 7 p.m. at Greenfield Hall and winds past the cemetery and familiar homes along the way. The tour lasts about 60 minutes and can be enjoyed by everyone: couples, groups and families.

Tickets can be purchased at the door (cash only) or ahead of time at Greenfield Hall, The Haddonfield Public Library, or the Haddonfield Visitor Center. There are no rain dates, but tickets can be used on any of the tour dates. Please remember to wear comfortable walking shoes, bring a flashlight and wear somewhat reflective clothing as a safety precaution.
